SUMMARY OF FINDINGS AND RECOMMENDATIONS

Board of Selectmen
Town Office
Hinsdale, New Hampshire 03451

Members of the Board:

Submitted herewith is the report of an examination of the accounts of the Town of Hinsdale for the year ended December 31, 1978, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audits must be given to the Town Clerk for retention as part of the Town's permanent records.

FINANCIAL STATEMENTS

Analysis of Change in Fund Balance: (Exhibit A-2)

On a budgetary basis, the change in Fund Balance is summarized as follows:

Appropriated:

Fund Balance Applied to Finance 1978 Operations	(\$ 2,096)
Balances of 1978 Special Appropriations	<u>12,410</u>

\$ 10,314

Unappropriated:

Revenues in Excess of Estimates	\$ 39,011
Net Unexpended Balances of Appropriations	(42,679)
Beginning Fund Balance Used to Reduce Tax Rate	<u>(166,200)</u>

(169,868)

Net Decrease in Fund Balance

(\$159,554)

SPECIAL REVENUE FUNDS:

Federal Revenue Sharing Funds: (Exhibit C-2)

The Town received approximately \$42,900 of Federal Revenue Sharing and interest during the current year. Approximately \$34,500 was transferred to the General Fund for expenditures, leaving an unexpended balance of approximately \$22,900 for future uses which must be expended within 24 months of receipt.

ENTERPRISE FUNDS:

Sewer Department: (Exhibits D-1 and D-2)

The Town does not maintain a complete listing of property and equipment in the Sewer Department and does not record related depreciation charges against current revenues. Therefore, we are unable to express an opinion as to the fairness of the balance sheet or statement of operations and changes in Fund Balance for the current year.

Water Department - December 31, 1978 and 1977: (Exhibits E-1 and E-2)

The retained earnings deficit of the Water Department increased from \$110,408 to \$120,268 during the year. The increase is due to a net loss of \$9,860 for the year ended December 31, 1978 as compared to a net loss of \$6,156 for the prior year.

During the year ended December 31, 1978, operating revenues increased by \$685 while operating expenses increased by \$6,212. The increase in expenditures can be traced primarily to increases in superintendent's salary, cost of power and water supply repairs during the year.

GENERAL COMMENTS

Water and Sewer Departments:

As in prior years, the audit continues to disclose several variances from statutory provisions of law regarding the Water and Sewer Departments. One Commissioner still serves as Commissioner, Rents Collector, Accountant and Treasurer. Warrants are not issued by the Commission to the Collector. No formal abatement procedure is used regarding abatement of rent charges.

We repeat the following statutes covering the above variances which are quoted as follows:

"R.S.A. 252:19 Establishment. Duties, any town or village district which adopts the provisions of this chapter may, at the time of such adoption or afterwards, vote to establish a board of sewer commissioners, consisting of three members, which board of shall perform all the duties and possess all the powers in the town or district otherwise hereby conferred upon the Selectmen."

"R.S.A. 41:4 Incompatibility of Offices. No person shall at the same time hold any two of the following offices; selectmen, treasurer, moderator, trustee of trust funds, collector of taxes, auditor...."

Comment:

From the above statutes, it seems clear that the Commissioner can not serve

as Commissioner, Treasurer and Collector of Rents at the same time.

Regarding sewer rental collections, the following statute is quoted:

"R.S.A. 252:13 Collection of Assessments or Rentals. They shall be committed to the collector of taxes, with a warrant under the hands and seal of the mayor and aldermen requiring him to collect them; and he shall have the same rights and remedies and be subject to the same liabilities in relation thereto as in the collection of taxes."

Recommendations:

It is therefore recommended that the Commissioner commit such sewer rents to the tax collector by warrant under their hands and seal as required by the statute.

In reference to abatements of sewer rents, the following applies:

"R.S.A. 252:14 Abatement of Assessment. For good cause shown, the mayor and aldermen may abate any such assessment made by them or by their predecessors."

"R.S.A. 252:16 Correction of Assessments. If any error is made in any such assessment it may be corrected by the mayor and aldermen by making an abatement and a new assessment, or either, as the case may require; and the same lien, rights, liabilities and remedies shall attach to the new assessment as to the original."

"R.S.A. 44:2 Provisions Applicable. All provisions of statutes, now made or hereafter enacted relating to towns, shall be understood to apply to cities; and all provisions relating to selectmen...shall be construed to apply to the mayor and aldermen... unless a different intention appears."

We recommend that a formal abatement procedure be adopted in accordance with statutory requirements. All sewer and water rental collections must be remitted to the Town Treasurer in accordance with the following statute:

"R.S.A. 41:27 Duties. The town treasurer shall have custody of all monies belonging to the town, and shall pay out the same only upon orders from the selectmen...the town treasurer shall keep in suitable books provided for the purpose, a fair and correct account of all sums received into and paid from the town treasury...."

In view of the above statute, it is recommended that the Commissioners immediately transfer the duties now performed by one Commissioner to the proper officials as required by statute and appoint a Collector of Water Rents and make proper commitment of water rents to said Collector under the hands and seal of the Commissioners.

It is further recommended that all receipts be reported in total and all refunds of overpayments be recorded in order that all transactions of the department be properly recorded.

Application of the Municipal Budget Law:

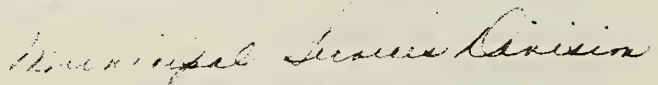

In towns operating under the Municipal Budget Law, R.S.A. 32:10 provides that, an unexpended balance may be transferred by the Board of Selectmen from one appropriation to another provided that the total amount expended for all purposes does not exceed the total amount appropriated at the town, school or village district meetings for all purposes.

The Town of Hinsdale exceeded its appropriations by \$15,838. The major items causing the overdrafts of appropriations were the overdrafts of Street Lighting of \$4,613, General Expenses of Highway of \$6,135 and Police Department of \$4,062.

Conclusion:

The provisions of Chapter 71-A, Section 21, require that the Auditors' summary of findings and recommendations shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials and employees of the Town of Hinsdale for their assistance during the course of the audit.

Home visits to patients and health promotion: 793

A pre-school hearing and vision screening program was conducted at the Elementary School in May with children being tested and defects referred for correction.

A general immunization clinic was held at the school in February, for pre-school and school age children.

Blood Pressure Clinics have been held on a monthly basis with all ages welcome. Transportation can be provided.

W.I.C. (Women, Infants, and Children) Clinics have been held on a monthly basis.

A Red Cross blood drawing was held in April and November with volunteers from the Nursing Association, Lions Club, and community.

Contracted services include Physical Therapy through the Agency.

There is a contract with Cheshire Senior Services for homemaker service and home health aides.

Medical Record Review is held at Brattleboro Memorial Hospital every three months. This includes a physician, physical therapist, at least one other R.N. board members and myself.

I have attended meetings, approximately monthly, for Task Force and In-service in Keene, N. H. Task Force is a study to assess the need to have Public Health Agencies merge, therefore to be able to provide better and more comprehensive services to the community. Community support is needed and welcomed.

I attend the discharge planning sessions at Brattleboro Memorial Hospital approximately every 4-6 weeks.

I am involved in the Brattleboro Area Hospice Committee. This is an attitude or approach to the patient dying with cancer and to the family.

I have attended several work shops throughout the year.

Monthly meetings of the Association are held on the 2nd Tuesday of the month at 10 a.m. and (these meetings) are open to the public. For continual medicare certification, it is necessary to have active community support and involvement.

Equipment such as wheelchairs, walkers, and commodes is available to be loaned out for use.

Thank you everyone who has volunteered their service to work at clinics or as a member of the Hinsdale Public Health Association.

Report of the Administrative Assistant to the Board of Selectmen

For the first time since the Town of Hinsdale was incorporated in 1753, the townspeople voted in 1979 to establish a professional administrative office in its Municipal government. This decision recognized the continuously increasing complications arising in all aspects and levels of government, and reflects a clear positive and progressive direction taken by the citizens of this community.

I began working for the town in August of 1979. Since that time this office has tackled and made substantial headway in a number of major areas; notwithstanding the first year that this office is in existence, will be a learning and adjustment period for all concerned.

One of the in-house areas which was studied was purchasing, a vital concern for all taxpayers. In the late fall a new purchasing system was recommended by this office and endorsed by the Board of Selectmen. The resulting consequence was a modest savings in 1979. In 1980 we project a substantial savings under this purchasing program.

One of the ongoing goals of this office is to obtain federal grants, a return to the community of its own tax dollars. This year we have focused our attention on community development grants. Examples of some of the specific activities that can be carried out with block grant-funds include rehabilitation and renovation of residential structures, provisions and improvements of public facilities, such as water and sewer lines and facilities, streets, parks, recreation facilities, neighborhood and senior citizens' centers, historic landmarks and even parking lots. A prerequisite to these grants is a requirement that a housing assistance plan be developed which identifies and assesses housing needs and goals within the community. The Southwestern New Hampshire Regional Planning Commission will develop this plan in conjunction with this office at a cost of \$1,500. Your support at the annual town meeting is needed for this plan, if you wish to pursue these grants.

I am available to any citizen who requests assistance in any area.

REPORT OF THE HINSDALE BOARD OF ADJUSTMENT
FOR THE YEAR ENDING DECEMBER 31, 1979

The Board held twelve meetings this year. In May two meetings were held. Our July meeting was cancelled. These meetings are held at 7:00 p.m. on the first Tuesday of the month in the Community Room of the Town Hall and are open to the public.

During our meetings we heard twenty-one variances, two special exceptions and one appeal. Of these, twenty-two were granted and two denied. Many of those granted were to appear before the Planning Board for site-plan-review.

Election of officers was held at the March meeting. Richard Corr was elected Chairman, Maryann Wallace was elected Co-Chairman, and Anna Mahoney was elected Secretary.

During the year, the Board accepted the resignation of three of its valuable members, Richard Corr, Maryann Wallace, and James Kirkwood.

We wish to thank everyone for their help and co-operation throughout the year.

REPORT OF THE HINSDALE CIVIL DEFENSE
1979

Your Hinsdale Civilian Defense Agency is always alert, active, energetic, and hard working for the good of the whole community in case of an unfortunate disaster or emergency. Our motto in our endeavors in the realm of Community safety and preparedness is "We are ready!"

One of the major highlights of 1979 was the successful completion of a Radiological Monitoring Course given by the State C. D. Agency at the Hinsdale Fire Department. Receiving certificate of Merit and Attendance were: Roberta Bliss, Robert Dixon, Edward Matuszewski, Frank Smalley, Pyllis Varno, Dr. Harvey Deutsch, Evan Deutsch, Vito Rizzo, Michael Wojchick, Roger Miller, and Ralph Simonds.

We are proud of obtaining a four wheel drive 1 1/4 ton Jeep truck from Fort Devens Army Base for use by our highway department, at no cost to the taxpayer. This truck has been painted and is put to good use every day.

We are pleased to report that the emergency siren in the belfry of the Town Hall has been repaired and is ready for use in time of crisis. This siren is tested on the last Friday of each month at 6:50 P.M.

Our emergency evacuation plans are progressing at a rapid pace and will be completed in the very near future. Approximately a dozen meetings were held at the Fire station attended by interested citizens, Selectmen, School Officials, fire and police personnel working and cooperating in preparing these plans.

We are always seeking citizen input and suggestions and help from the local citizenry will be greatly appreciated.

REPORT OF THE HINSDALE CONSERVATION COMMISSION

1979

With great pride and a sense of accomplishment, the Conservation Commission dedicated Heritage Park, this past fall, to the Town of Hinsdale.

Commission members worked towards the completion of the park this year. Lighting was installed at the Multi-Use Court extending its usage. The parking lot was paved and lined. In addition, the Multi-Use Court was lined so now it is possible to play the many games it offers.

David Coull, a former Commission member, built a barbeque pit which can be used by many large groups. Through the auspices of the Hinsdale Lions Club, the shop classes at Hinsdale High School are constructing a bandstand which hopefully will be in use by this summer.

Heritage Park will now be under the control of a new committee, managing not only the Park but the Playground, Jackwood Park and all monuments. The Conservation Commission will continue as a town commission fulfilling duties more appropriate in the field of conservation.

Is Heritage Park completed? That is a question only the taxpayers of Hinsdale can answer. There is much land at the Park that could be used for further development. In addition, a new scope could be drawn up and matching funds could be applied for by the new committee.

In closing, the Commission would like to thank the taxpayers of Hinsdale and the Bureau of Outdoor Recreation for providing the funds for building Heritage Park. We would also like to thank all businesses, clubs, and individuals who donated funds, time and support to this project.

REPORT OF THE HINSDALE PLANNING BOARD

1979

The Hinsdale Planning Board acted on one sub-divison and three site-plans during the year. There were also informal discussions held with townspeople who were requesting information concerning possible sub-divisions and site-plans. The board meets the third Tuesday of every month in the Community Room of the town hall at 7:30 p.m., and invites and welcomes those with questions to attend their meetings.

Several members of the board met monthly with the selectmen, members of the Zoning Board and townspeople to re-write the Proposed Zoning Ordinances, which will be voted on by the town on March 11, 1980. Some of these meetings were assisted by Catherine Larson, Director, Southwestern New Hampshire Regional Planning Commission. Much effort and concern was put forth by our members in the re-writing of these ordinances. The board held two public hearings on the proposed ordinances, December 27, 1979 and January 22, 1980, at which time some changes were made. The Board would like to take this opportunity to thank everyone for their help during this busy year. Mrs. Richard Corr and Mrs. Charles Rosploch were Hinsdale's representatives to the Southwestern N. H. Regional Planning Commission which meets the second Wednesday of the month in either Marlboro or Peterboro, N. H. Some valuable information is brought back to the local board from these meetings. The following members resigned during the year: Eleanor O'Neal, Charles Gratton, Carol Rosploch and David Ward.

HINSDALE PLAYGROUND COMMITTEE
1979 REPORT

The Playground Committee consisting of Ann Boyd, Sandy Moore, Bill McLeod and Selectman Paul Sprague, wish to give thanks to everyone who contributed in any way to help the program operate. We feel we have made a step towards our ultimate goal, which is to have an organized, diversified and well attended program.

The pool was equipped with an automatic chlorinator which keep the P. H. balance. Donna Foster did a fine job of supervising the pool. And we were able to have evening hours twice a week to enable working parents to accompany their children.

Your Summer Program was again directed by Wayne Miller Sr. There was no charge to the children for participation or for daily cold lunch which was provided through the Southwestern Community Services Program. Volunteers from the community offered their time in activities, such as Hinsdale History, fortune telling stories, sports, Arts & crafts.

The school playground received the always necessary repairs and painting. Three pieces of new equipment (balance beam and 2 see saws) have been purchased to be installed in the Spring.

We hope for an even more interesting and diversified program in 1980. We would like to hear from anyone with ideas or desire to serve as a committee member.
